

Thresholds of Transformation for Seekers & Searchers

Provides **YOU** with a unique opportunity to engage in a life changing experience that will enable you to:

-  Feel hopeful, empowered and inspired in a world, church and planet in crisis
-  Enrich your spirituality and experience a deeper relationship with God and all creation
-  Explore and develop practical ways to contribute to a better world
-  Develop skills to navigate personal & professional relational challenges and nurture meaningful relationships

Thresholds of Transformation for Seekers & Searchers (TTSS) consists of 15 x 2 hour Group Gatherings done in local/regional in-person groups or on zoom.

The Gatherings are led by trained TTSS Group Coordinators and Ritual Leaders. Each Gathering consists of the group viewing of the online Gathering videos of inspiring and uplifting presentations that are interspersed with personal and communal reflection, interactive process and sharing, and meaningful ritual and prayer.

Here's what people are saying about their experience of TTSS

“ The content, focus questions, reflective pauses/prayerful spaces, quotations, imagery, music and group sharing are rich, inspiring, informative and challenging..

– Michael

“ I am someone who would happily save up for a holiday but never thought of saving to invest in my own personal and spiritual enrichment. But there was something about TTSS that drew me to it. It has been the best investment of money and time that I could have made for my personal growth. I feel I am a better person for having made this TTSS journey!

– Liz

“ Our group found the TTSS journey a prayerful experience that engaged us in a process that has both deepened and strengthened our spirituality. It was wonderful! The graphics and imagery were mesmerizing.

– Fran

“ It all makes so much sense... It touched me so deeply... I was drawn into and enjoyed every moment of the journey... I feel alive and am learning... It was so profoundly and personally presented.

– Various Participants
